¹ The carryover maximum limit applies in the following plan year. For example, the amount that can carry over into 2024 is \$610 (20% of the 2023 Health FSA (HFSA) limit). The amount that can carry over into 2025 is \$640 (20% of the 2024 HFSA limit).

² Credit may be adjusted based on the level of the taxpayer's adjusted gross income and is reduced by amounts excluded from income under a Dependent Care Reimbursement Account plan sponsored by an employer.

³ The Tax Cuts & Jobs Act of 2017 changed the bicycle benefit to a taxable benefit for years after 2017 and before 2026.

⁴ An employer-sponsored Adoption Assistance Program may be a stand-alone program or contained within a Cafeteria Plan.

⁵ If employer-sponsored Adoption Assistance Program is contained in a Cafeteria Plan, this is the maximum limit within the plan year.

* Increased limits due to COVID-19 legislative relief
